I know you can't read this email on blackberry, but trust me, this letter from the Congressman to the Administrator is great and Grant should see it. Can you forward the email from Jessica directly to him? Its very persuasive and might help him in talking to Ben.

Congressman Grijalva - Letter Sent to Administrator Johnson on  
Santa Cruz River

All -

Please see letters in PDF format in an e-mail attached below sent by Congressman Grijalva's staffer, Rachel Kondor, which was sent to Administrator Johnson today. Congressman Grijalva wrote to Administrator Johnson regarding the Santa Cruz River. Not sure if the letter will be controlled to Region IX for the preparation of a draft response, but we'll see if it comes to the Region in our Correspondence Management System (CMS). As noted in Rachel's e-mail, a fax may have already been sent to Wayne earlier today.

I will be out of the office on annual leave until Monday, August 11th, but Jim Vreeland will be monitoring CMS to see if the letter does end up in Region IX and will alert staff should that occur.
